

REMARKS

The present amendment is responsive to an office action dated July 13, 2007.

Claims 30-32, 34-39, 41-47, 56-65 and 67-93 are pending.

Claims 30-32, 34, 35, 39, 41-43, 47, 56 and 57 are rejected under 35 USC § 103(a).

Claims 36-38, 44-46, 67, 68 and 92 deemed to contain allowable subject matter, but are objected to as depending from a rejected base claim.

Claims 58-64, 65, 69-91 and 93 are allowed.

Claim 30 is amended.

Claim 38 is cancelled.

SUMMARY OF AMENDMENTS

Independent claim 30 is currently amended to include all of the limitations of previous claim 38. The Examiner indicates in the office action that claim 38 contains patentable subject matter if rewritten in independent form including all the limitations of the base claim 30. Therefore, amended claim 30 now presents patentable subject matter as stipulated by the examiner in the currently pending office action.

Claim 38 is cancelled as being redundant.

Rejected claims 31, 32, 34, 35, 39, 41-43, 47, 56 and 57 are all dependent directly or indirectly on claim 30. Having amended claim 30 to include patentable subject matter these claims now inherit the limitations of previous claim 38.

Claims 36, 37, 44-46, 67, 68 and 92 were objected to as dependent on rejected claim 30. Having amended claim 30 to include patentable subject matter these objections are addressed.

REJECTIONS UNDER 35 USC § 103(a)

Claims 30-32, 34, 35, 39, 41-43, 47, 56 and 57 are rejected under 35 USC § 103(a). All rejections under 35 USC § 103(a) are moot in view of amendments entered herewith for reasons set forth above.

All issues raised by the Examiner have been addressed.

In view of the above remarks and amendments, Applicant submit that all currently pending claims are in condition for allowance. Prompt notice of allowance is respectfully and earnestly solicited. If the Examiner does not agree regarding one or more of the claims, but is of the opinion that a telephone conversation may forward the present application toward allowance, Applicant respectfully request that the Examiner call the undersigned at 011 972 46360594 to arrange an interview.

Respectfully submitted,

Ehud Dafni
